COMMON REQUIREMENTS

All degree programs require that students maintain a cumulative grade point average of 3.0 every semester while enrolled in the program. A student is placed on probation if his or her semester GPA is below 3.0. A student is not subject to academic dismissal at the end of his or her first semester in a degree program. A student will be dismissed from the college after two consecutive semesters with a GPA below 3.0. A final GPA of 3.0 is required for graduation.

ADVANCEMENT TO DEGREE CANDIDACY

Eligibility to Attend Commencement Exercises

Candidates for the master’s degree at FIT must have advanced to candidacy before being permitted to attend graduation ceremonies.
Maintenance of Matriculation
To maintain matriculation, a degree candidate must register each semester following entry into a program for either (a) at least one approved course or (b) maintenance of matriculation. If a student does not maintain continuous matriculation, or does not complete all degree requirements in the time allowed, that student will be required to apply for readmission to the program following the procedures and requirements listed in the catalog of the readmission year. If readmission is granted, the student will also be required to pay all delinquent maintenance of matriculation fees prior to being awarded the degree.

Degree Requirements

General
For admittance to degree candidacy, students must have satisfied all prerequisites, completed a minimum of 36 approved course credits, achieved a final grade point average (GPA) of 3.0, and successfully completed the capstone seminar. Students must have advanced to degree candidacy before being permitted to attend graduation ceremonies.

Capstone Seminar
Emphasis is placed upon global business concerns, including merchandising, sourcing, marketing, financial management, leadership, sustainability, and digital commerce, among other disciplines. Students collaborate on the capstone project with third-year law students from Cardozo School of Law, who act as consultants to GFM’s client, offering legal advice based on copyright, trademark, privacy, counterfeit, and other legal issues. Individuals and teams are graded on their ability to analyze issues from the perspective of corporate or consumer environments, collect and understand data, conduct effective surveys, utilize concepts learned in the program, and present professionally. A three-member jury of industry professionals judges the final projects for entry into the capstone event held in January for an audience of family, faculty, and industry executives.

Capstone Project
Student groups are presented with management challenges that reflect current industry practices and trends and must develop creative solutions that involve all aspects of a corporate organization. Emphasis is placed upon global business concerns, including merchandising, sourcing, marketing, financial management, and leadership. Groups are graded on their ability to react quickly and cohesively, analysis of the issues from the perspectives of the corporate environment, utilization of the concepts learned in the program, and presentation skills.

Time Requirement for Degree Completion
Students matriculate on a full-time basis and have three semesters to complete all degree requirements, including the capstone project. Extensions may be granted to degree candidates on a case-by-case basis at the discretion of the chairperson.

Travel
Please note: Students in the Global Fashion Management program should budget for the mandatory trips to Europe and Asia, as these expenses are not covered by tuition.
