The Office of International Programs coordinates the opportunities for students to study abroad for a year, a semester, or three to four weeks in the summer or winter sessions. Students may also study abroad through SUNY (https://www.suny.edu/studyabroad/) or the College Consortium for International Study (https://www.CCiSabroad.org). Applicants are selected competitively and are generally required to have a minimum GPA of 3.0. Students must develop an advisement plan with their department’s chairperson or study abroad faculty coordinator that lists the courses they are approved to complete abroad so they may transfer credit back to the FIT degree program.
