

Alumni of FIT

FIT graduates continue to be active participants in the college's educational objectives in a variety of ways, including through participation in alumni events through the Office of Alumni Relations and advisory groups. Alumni share their expertise with students and exchange ideas with emerging professionals in their fields.

THE FIT ALUMNI ASSOCIATION

All FIT alumni are welcome to become members of the association. This group works closely with the college and the FIT Foundation to stimulate interest among professional industry leaders, to assist with curriculum development, and to contribute annually to the library, scholarship, and student housing funds. Members nurture professional and social affiliations begun in their years at FIT while striving to establish educational and professional rapport with current students. The association presents the Mortimer C. Ritter Award and the Marvin Feldman Award to outstanding alumni with at least five years of professional excellence.
