Fashion Design/Milan – Knitwear

School of Art and Design

Applications accepted for fall only. NYSED: 00735 **HEGIS 1009**

This overseas academic program is offered in collaboration with the Politecnico di Milano. Courses listed below include those offered in Milan. Students may attend the Milan program for one or both years. The sequence presented here represents two full years of study in Milan. Students following a year seguence in Milan should refer to the Fashion Design New York-Knitwear program: http:// catalog.fitnyc.edu/undergraduate/majors/baccalaureatedegreeprograms/fashiondesignknitwear/. Equivalent course substitutions offered in Milan fulfill some related area and major area course requirements. Refer to the department's website at fitnyc.edu/fashiondesign for course and other related information. Students must complete IT 111 before attending the Fashion Design Program in Milan. Curriculum below is for the entering class of Fall 2017.

- *** MetaDesign Project parts A and B: 5.5 credits. The Meta Design Studio course at FIT in Milan addresses the learning outcomes vital for creative fashion design collection-building and merchandising a successful brand/product mix for a targeted customer group. It is taught as a true international exchange of design ideas with participation by students from FIT in Milan, the Politecnico di Milano, and Erasmus. Students conduct research independently on the brief, then must critically defend their ideas, edit, create cohesion, compile, and present their original multiple-product collection in a global collaborative team setting.

Note: The assortment of Major Area Elective and Related Area Elective courses available and offered during a given semester is subject to change. All courses will not be available or offered each semester. The list of course options may evolve over time; contact the Fashion Design Department for details.

FIT in Milan reserves the right to modify the order of these course offerings, or which courses are offered in Milan.
