FIT AND NEW YORK CITY

New York City is FIT's extended campus—a laboratory for learning and living—and its unparalleled cultural and commercial resources immeasurably enrich the college's programs and enhance each student's opportunity for personal and professional growth. The faculty is composed of New York City professionals who infuse a hands-on teaching approach with real-world expertise. Frequent field trips to the city's numerous corporate headquarters, design studios, galleries, libraries, museums, retail establishments, and showrooms complement regular campus visits by fashion and other business leaders, who come as guest critics and to discuss current trends and emerging technologies.
