The Division of Enrollment Management and Student Success is an integral part of FIT's vision: to build an inclusive community in which students engage with, learn from, and inspire each other—discovering how their differences and similarities promote creativity, intellectual and personal growth, and understanding.

COUNSELING CENTER

David Dubinsky Student Center, Room A212B, (212) 217-4260
fitnyc.edu/counseling

The Counseling Center provides private and confidential services, free of charge to all registered, degree-seeking students.

Students come to the FIT Counseling Center for assistance with a variety of personal and academic concerns. Students are encouraged to contact the Counseling Center when concerns are emerging and not to wait, as problems left untreated or unresolved can become much larger and affect one's personal and academic well-being.

The Counseling Center offers triage assessments, typically within 10 days of a student's initial request for treatment. One to three additional individual sessions may be offered to students on a case-by-case basis. Group referrals, as well as referrals to an outside resource are provided as needed. All students who are in crisis and need to be seen immediately will be given a same-day risk-assessment to determine how best to proceed.

FIT-ABLE: DISABILITY SUPPORT SERVICES

David Dubinsky Student Center, Room A570, (212) 217-4090
fitnyc.edu/fitable

FIT provides students with disabilities the opportunity to self-identify with the Office of Disability Services (FIT-ABLE) in order to discuss options for reasonable accommodations while attending FIT. Students will be informed of possible accommodations, documentation requirements, the process of self-identifying and registering with the office, and student rights and responsibilities.

FIT-ABLE is a support service for FIT students, upholding the mandates of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Titles II and III.

The office is a National Voter Registration Act voter registration site.

HEALTH SERVICES

David Dubinsky Student Center, Room A402, (212) 217-4190
fitnyc.edu/health-services

FIT's Health Services is a primary care facility staffed by nurse practitioners, registered nurses, and physicians. The office provides general medical and gynecological care. A referral list of consultants is available when a specialist's evaluation and treatment are required.

FIT has a mandatory health insurance policy. All full-time students are automatically billed for health insurance. Students can be excused from the mandatory insurance if they have equal or better Affordable Care Act (ACA)-compliant health insurance from a US-based company. In order to waive the mandatory insurance, it is necessary to complete and submit a waiver form by the deadline. For deadline dates and other insurance information, contact Health Services.

New York State Public Health Law (NYS PHL) mandates that students enrolled for at least six (6) semester credit hours or the equivalent per semester must provide proof of immunity against measles, mumps, rubella, and meningitis in order to attend classes. Students born prior to January 1, 1957, and provide proof of birth date are exempt from these requirements.

Please note that according to NYS PHL, no institution shall permit any student to attend the institution in excess of 30 days or to register for the next semester's classes without complying with this law.

Immunization documentation and completed health forms are required prior to moving into our residence halls or attending class. Immunization documentation can be submitted and health forms completed at the FIT Student Health Portal.

Meal plans are required in Alumni, Coed, and Nagler Halls, and are available for all students living in college housing. FIT residence halls are 100 percent alcohol-, drug-, and tobacco-free.

Staff

Residence halls are fully staffed to assist students. Professional staff, including Residential Education Coordinators and Assistant Residential Education Coordinators, live in the residence halls. Residential Life staff members are on call for emergencies at all times when the halls are occupied.

A security officer is posted in each residence hall lobby 24 hours a day when the residences are open. Visitors must provide proper identification and be signed in by residents.

Resident Assistants (RAs), student leaders who live on each floor, help to create an environment conducive to learning, building community, and achieving success. RAs help residents navigate life at college and assist in creating a community within the halls.

Students have many opportunities to participate in activities and programs sponsored by Residential Life and the Residence Hall Association. These experiences are designed to help students tap into their purpose, insights, and talents, leveraging the residential experience for growth.
