Financial Aid Services Office

Dubinsky Center, Room A212A
fitnyc.edu/financialaid
(212) 217-3560

Full-time degree-seeking U.S. citizens/eligible noncitizens may be eligible for need-based institutional, federal, or state financial assistance to support their cost of attendance (COA) at FIT. To be considered for federal financial aid, including grants, student/parent loans, and Federal Work Study (FWS), students must file the Free Application for Federal Student Aid (FAFSA) each academic year. The FAFSA can be completed and submitted online at fafsa.gov. The FIT code is 002866.

A federal financial aid award may include a Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), subsidized or unsubsidized student loan, Federal Work Study (FWS), or a PLUS loan for parents of undergraduate degree-seeking students.

In addition to federal financial aid, full-time degree-seeking students with demonstrated financial need who are residents of New York State may be eligible for grants or scholarships, including the Tuition Assistance Program (TAP), Excelsior Scholarship, or a Dream Act Scholarship.

First-year and transfer students may be eligible for the Educational Opportunity Program (EOP) if they meet the academic and financial guidelines. First-year students graduating from a New York City high school with an 80 average may qualify for the NYC Council Merit Scholarship contingent upon state funding. Degree-seeking students wishing to be considered for New York State financial aid noted above must file the FAFSA annually in addition to the required state applications, including the Tuition Assistance Program (TAP), Excelsior Scholarship, and the Dream Act Scholarship. FIT's TAP codes are 2070

for students enrolled in associate degree programs (lower division) or 0975 for students enrolled in bachelor's programs (upper division).

Federal and state need-based financial aid is based on the information provided on the FAFSA and state applications using a standardized formula for calculating the Estimated Family Contribution (EFC). The student's annual cost of attendance (COA), which includes tuition, room and board, books, supplies, transportation, personal expenses, and state residency, is the basis for determining their financial need.

Each year, FIT administers federal and state need-based financial aid to eligible students based on congressional guidelines and appropriations. Eligibility requirements and funding regulations governing federal and state programs may change from year to year, depending on legislative action.

Federal and state financial aid awards are not automatically renewed. Students must submit the FAFSA and the required state applications each academic year to be considered for need-based financial aid. The priority dates and application deadlines can be found on the Financial Aid site at fitnyc.edu/financialaid.

All financial aid awards will be posted to the student's FIT account. If the award amount is greater than the cost of attendance (COA)/direct charges per semester, the Bursar's Cashiering Office will refund the difference to the student. Students may choose to pick up their refund check or request a direct deposit to their checking/savings account(s).

NEED-BASED FEDERAL FINANCIAL AID PROGRAMS

Federal Pell Grant

Pell grants are limited to the equivalent of six years of full-time funding for students who have not yet earned a bachelor's degree. The grant may be adjusted based on credit load each semester.

Federal Supplemental Education Opportunity Grant (FSEOG)

The FSEOG grant is awarded to undergraduate students who are Pell-eligible and demonstrate exceptional financial need. Awards are based upon the availability of funds each academic year.

Federal Work Study Program (FWS)

To be eligible for the FWS program, students must indicate their interest in receiving the award on their FAFSA. Awards are made based on the availability of funds allocated to FIT and are not guaranteed to be awarded each academic year. Students awarded an FWS position will be paid twice a month for a maximum of 10 hours per week. The salary earned through an FWS position can be applied toward books, supplies, or personal expenses. In addition to the FWS program, students may seek part-time positions both on and off campus at approved agencies or at organizations such as America Reads or the Public Service Corps.

FEDERAL AND PRIVATE LOANS

Federal Direct Stafford Loan Program (subsidized and unsubsidized loans)

FIT participates in the William D. Ford Federal Direct Loan Program (Stafford Loan). The Stafford Loan is a federally sponsored, low-interest loan available to degree-seeking, U.S. citizens/eligible noncitizens taking a minimum of 6 credit hours. The funds come directly from the Federal Department of Education and eligibility is determined by the FAFSA. The Federal Department of Education will remain the lender for the life of the loan, and the loan will not be sold to another lending vendor. Eligible students must submit a Direct Stafford Loan request, complete a Master Promissory Note (MPN), and complete an entrance counseling session/interview.

A Direct Stafford Loan subsidized loan means that the federal government pays the interest while the student is enrolled and taking at least 6 credit hours. The interest rate for a subsidized loan is at a fixed rate of 2.75% for undergraduate student loans

disbursed after July 1, 2021, through June 30, 2022. A Direct Stafford unsubsidized loan means the student will be charged a 2.75% fixed interest rate for undergraduate loans disbursed after July 1, 2021, through June 30, 2022. Loan payments can be paid while the student is enrolled or deferred until completion of their enrollment. Interest is added to the principal (capitalized); therefore, students are advised to repay the loan while they are enrolled in college. For information on the Direct Stafford Loan Eligibility chart, please visit the Financial Aid Services site at fitnyc.edu/financialaid.

Direct Stafford Loans are the recommended first choice in borrowing for both undergraduate and graduate enrollment. Once a student has reached the annual Direct Stafford Loan limit, they may choose from several federal loan options based on their degree status. The loans include the PLUS loan for parents of undergraduate students or the PLUS loan for graduate students. The fixed interest rate is 5.30% for Federal Direct Parent PLUS loans disbursed between July 1, 2020, and June 30, 2021. Parents with good credit histories may borrow up to the cost of attendance (COA) less other financial aid for their dependent undergraduate student who is enrolled in an undergraduate degree-seeking program at least half-time. Credit checks are performed by the Department of Education.

Alternative Private Loans

Alternative private loans are offered by the lender to credit-worthy students in order to meet educational expenses not covered by financial aid. Students who are not eligible may apply with a credit-worthy co-borrower. FIT strongly recommends that students file the FAFSA to be considered for financial aid, which may include federally subsidized/unsubsidized loans. Parents may also elect to secure an educational fixed or variable rate loan from a private lender. It is recommended that parents consider the interest rates, origination fees, deferment, and repayment options before finalizing

a loan agreement. A federal parent loan for undergraduate students (PLUS) Loan comparative tool is available at fitnyc.edu/financialaid.

NEED-BASED NEW YORK STATE FINANCIAL AID PROGRAMS FOR NEW YORK STATE RESIDENTS

New York State Tuition Assistance Program (TAP) Grant

Full-time degree-seeking students who are U.S. citizens/eligible noncitizens and New York State residents may be eligible for a TAP grant ranging from \$500 up to full tuition per year. Part-time degree-seeking students registered for between 3 to 11.5 credits may also be eligible for a TAP grant called Aid for Part-Time Students (APTS). Only credit-bearing courses as part of a degree program will apply toward the TAP eligibility requirements.

State regulations require that full-time students receiving TAP awards must complete a minimum number of credits each semester in a degree program with a minimum GPA, and accumulate enough credits to graduate with an associate degree within a maximum of six semesters of aid, and a bachelor's degree in eight semesters of aid.

Full-time students must be enrolled for at least 12 credits in their degree program at the time of their TAP certification. Two factors in addition to the 12-credit minimum are considered in the certification of eligibility:

- Academic progress in the previous semester
- Program pursuit in the previous semester

Regulations allow for one waiver during a student's undergraduate career. According to the waiver guidelines, students may ask for and receive the waiver if a good reason (extenuating circumstances) is presented for their inability to meet minimum standards. The waiver will become part of the student's official record and the student is expected to make satisfactory academic progress thereafter. The waiver

is not automatically granted and students must apply and be approved. Waiver forms are available in the Financial Aid Services Office.

TAP eligibility requirements are subject to change based on New York State legislation.

Satisfactory Academic Progress (SAP) for Tuition Assistance Program (TAP) Eligibility

TAP awards are based on New York State net taxable income and tuition charges. Final determination of awards is made as a result of the completion of the Express TAP Application (ETA) each year, and funding levels are dependent on the passing of the New York State Budget. Before being certified for a specific TAP payment, students must have accrued a minimum number of credits toward their degree while maintaining a minimum Cumulative Grade Point Average (CGPA). A student must also complete (pass or fail) a certain percentage of credits during the semester they receive a TAP grant.

Standard of Satisfactory Academic Progress for Purpose of Determining Eligibility for a TAP Grant

Associate Level

Before Being Certified for This Payment*	Must Complete This Percentage of Previous Semester	Student Must Have Accrued at Least This Many Credits	Required GPA
First (6 PTS)	0%	0	.0
Second (12 PTS)	50%	6	1.3
Third (18 PTS)	50%	15	1.5
Fourth (24 PTS)	75%	27	1.8
Fifth (30 PTS)	75%	39	2.0
Sixth (36 PTS)	100%	51	2.0
Seventh (EOP)	100%	66	2.0
Eighth (EOP)	100%	81	2.0

*TAP points may have differed based on whether or not the student took courses during the summer session(s).

Students with disabilities are not required to register full-time. However, they still must meet Academic Progress Pursuit as listed above. EOP students are not allowed to receive TAP beyond the normal six-payment schedule.

- 50% = 6.0
- 75% = 9.0
- 100% = 12.0

Baccalaureate Level

Before Being Certified for This Payment*	Must Complete This Percentage of Previous Semester	Student Must Have Accrued at Least This Many Credits	Required GPA
First (6 PTS)	0%	0	.0
Second (12 PTS)	50%	6	1.5
Third (18 PTS)	50%	15	1.8
Fourth (24 PTS)	75%	27	1.8
Fifth (30 PTS)	75%	39	2.0
Sixth (36 PTS)	100%	51	2.0
Seventh (42 PTS)	100%	66	2.0
Eighth (48 PTS)	100%	81	3.0
Ninth (EOP)	100%	96	2.0
Tenth (EOP)	100%	111	2.0

*TAP points may have differed based on whether or not the student took courses during the summer session(s).

Students with disabilities are not required to register full-time. However, they still must meet Academic Progress Pursuit as listed above. EOP students are not allowed to receive TAP beyond the normal six-payment schedule.

- 50% = 6.0
- 75% = 9.0
- 100% = 12.0

Senator José Peralta New York State DREAM Act

The New York State DREAM Act gives undocumented and other eligible students access to New York State-administered grants and scholarships, such as TAP and the Excelsior Scholarship. For information on eligibility and to apply, students should go to hesc.ny.gov/dream.

Educational Opportunity Program (EOP)

Full-time degree-seeking students who are U.S. citizens/eligible noncitizens and New York State residents and meet the academic and financial criteria will be offered admission to EOP. The program provides academic support and financial assistance. The financial aid award will be based on need and available state and federal funding.

Peter F. Vallone Academic Scholarship

New York City high school graduates who are U.S. citizens/eligible noncitizens with an 80 average are eligible for a \$800 award or \$400 per semester award if they enroll as a full-time student (12 or more credits). The scholarship can be renewed each academic year if the recipient remains a full-time student and has achieved a minimum grade point average of 3.0. The amount of the award may vary based on funding from the NYC Council.

EXCELSIOR SCHOLARSHIP FOR NEW YORK STATE RESIDENTS

The Excelsior Scholarship, combined with other financial aid grants/scholarships, allows eligible students to attend a SUNY/CUNY undergraduate college tuition-free. The fact sheet below provides eligibility requirements to qualify for the scholarship and the academic requirements to maintain eligibility.

Eligibility

To meet the initial eligibility criteria for the Excelsior Scholarship, an applicant must:

- be a resident of New York State (NYS) and have resided in the state for 12 continuous months prior to the beginning of the term;

- be a U.S. citizen or eligible noncitizen; undocumented students may also qualify if eligibility requirements are met;
- have either graduated from high school in the United States, earned a high school equivalency diploma, or passed a federally approved "Ability to Benefit" test, as defined by the Commissioner of the State Education Department;
- have a combined federal adjusted gross income of:
 - \$100,000 or less on his or her 2015 tax return for 2017–2018;
 - \$110,000 or less on his or her 2016 tax return for 2018–2019;
 - \$125,000 or less on his or her 2017 tax return for 2019–2020;
 - \$125,000 or less on his or her 2018 tax return for 2020–2021
- be pursuing an undergraduate degree at a SUNY or CUNY college, including community colleges;
- be enrolled in at least 12 credits per term and complete at least 30 credits each year (successively), applicable toward a degree program;
- not be in default on a student loan made under any NYS or federal education loan program or on the repayment of any NYS award;
- be in compliance with the terms of the service condition(s) imposed by a NYS award previously received; and
- complete a contract agreeing to reside in NYS for the length of time the award was received, and, if employed during such time, be employed in NYS.

Award Amount

Excelsior Scholarship recipients attending the Fashion Institute of Technology (FIT) may receive an annual tuition award up to the full cost of tuition for the fall and spring semesters. The award does not extend to FIT's winter and summer sessions. Students are responsible for paying all educational expenses incurred during the winter and summer sessions. Students are also responsible for paying fees, housing, meals, and books or using some other form

of financial aid to cover these educational expenses. The maximum scholarship award amount is reduced by other forms of student aid, such as the Federal Pell Grant; NYS Tuition Assistance Program (TAP); Federal Supplemental Educational Opportunity Grant (SEOG); tuition waivers; institutional and external scholarships not earmarked for other purposes; Access-VR; and certain military benefits, if applicable. Scholarship amounts may change as other financial aid is awarded or as a student's enrollment status changes during the semester.

Academic Requirements

Students must enroll in at least 12 college credits during the fall and spring semesters and complete 30 credits during the academic year. Remedial courses do not count toward full-time enrollment for Excelsior Scholarship purposes. Students enrolled in remedial courses may be eligible as long they are enrolled in 12 college credits each semester and complete 30 credits per year.

The Excelsior Scholarship promotes on-time degree completion. Students who change their major may continue to receive Excelsior Scholarship funding as long as they are on track to complete the new undergraduate degree program in two years. If the student changes the major and requires more time to complete the new degree, the student becomes ineligible for future payments of Excelsior Scholarship funding. Students may use the summer and winter sessions to satisfy the 30 credits per academic year requirement, as well as eligible transfer credits. There are no Excelsior Scholarship payments for enrollment in the summer and/or winter sessions. Students must complete a FAFSA and TAP application each academic year of eligibility.

Students who fail to successfully complete the annual 30-credit-hour requirement will receive their first Excelsior Scholarship payment and be responsible for the tuition liability for the second semester. In addition, students become ineligible for any future payments of Excelsior Scholarship awards

because they are no longer on track to complete their degree on time. Once a student loses their eligibility for the Excelsior Scholarship, the award cannot be renewed.

Advisement Recommendations

Because of the strict academic requirements of the Excelsior Scholarship program, students are strongly encouraged to check with their academic advisor and Financial Aid Services before finalizing any of the following actions:

- Dropping or withdrawing from a class
- Changing their major
- Taking classes that are not in their program of study

Students who qualified for the Excelsior Scholarship, but who did not receive an award due to other free forms of student aid, should maintain their academic requirements of the program in the event they become eligible for a monetary award in future semesters at the Fashion Institute of Technology or if they transfer to another SUNY/CUNY school.

Full program requirements are available online at www.hesc.ny.gov/excelsior. The Financial Aid Services Office can answer questions regarding academic eligibility. *Please note that this information is based on current regulations and is subject to change as per New York State legislation and policy from the Higher Education Services Corporation (HESC).*

INSTITUTIONAL SCHOLARSHIPS

FIT Foundation Scholarship

Scholarship funds are administered by FIT from funds donated to the FIT Foundation by corporations, organizations, and individual donors. These scholarship awards are based on financial need as well as superior potential to succeed in a major area. The majority of the scholarship awards are given to students who have successfully completed at least two semesters or more of coursework. Eligible students will be invited to apply for the scholarship by completing an online questionnaire.

To reapply for the scholarship for the following academic year, recipients must maintain at least a 3.0 semester GPA at FIT and must reapply for financial aid by filing a new FAFSA each academic year by January 15. Scholarships are not automatically renewed each year. Renewal is based on the scholarship guidelines and financial need, as well as semester grades and availability of funds. Recipients must also maintain a full-time course load (12 or more credits required for the undergraduate degree program) to maintain eligibility. Scholarships are limited to four semesters in the lower division (associate degree level) and four semesters in the upper division (bachelor's degree level).

FIT Foundation Grant

The FIT Foundation grant is administered by FIT from funds donated to the FIT Foundation by many corporations, organizations, and individual donors. These scholarship awards are based on financial need and availability of funds. Eligibility is determined each year and is based on full-time undergraduate enrollment (12 or more required credits), maintaining a 2.3 GPA, and availability of funds. Recipients must reapply for financial aid by filing a new FAFSA each academic year by January 15. These grants are limited to four semesters in the lower division (associate degree level) and four semesters in the upper division (bachelor's degree level).
