Online Degree Option:

The one-year online degree is designed to give students flexibility in earning an Associate of Applied Science degree (see Online Learning for additional information).

Upper Division Alternative(s):

Graduates of this program are eligible to apply for admission to the Bachelor of Science programs in Cosmetics and Fragrance Marketing; Direct and Interactive Marketing; Fashion Business Management; Home Products Development; International Trade and Marketing for the Fashion Industries; Production Management: Fashion and Related Industries; and Textile Development and Marketing. By completing

certain course requirements, graduates may also apply to the Bachelor of Science programs in Advertising and Marketing Communications and Technical Design.

Additional Location: The two-year AAS in Fashion Business Management is offered in Incheon, South Korea, as part of FIT at SUNY Korea.

Upon graduating from the Fashion Business Management AAS degree program, students will demonstrate:

1. Business Fundamentals: Students will be able to identify and apply current business methodology and discuss current situations and opportunities connected to the fashion business.
2. Communication: Students will be able to compare how business decisions are established by using coherent written, verbal, and presentation skills.
3. Globalism: Students will be able to identify and evaluate the current global issues in how they will affect the fashion business.
4. Technology: Students will be able to illustrate and distinguish their technology proficiency by beginning to adapt to the various technologies in the courses of the fashion business.
5. Research and Critical Thinking: Students will be able to explain and conduct research of primary and secondary data to make business decisions.
6. Product Commercialization: Students will be able to begin to evaluate the functions of product development, the merchandising of a line and how it works within the Product Life Cycle.
7. Retailing/ Wholesaling: Students will be able to identify and compare the differences between retail and wholesale in the fashion business.
