

# Economics, Minor

---

The Economics minor enables students to acquire a useful understanding of economic concepts and analyses and improves students analytical skills. The minor complements our degree programs in Business and Technology and provides graduates with a competitive edge in the job market. The Economics minor reflects students analytical abilities as well as their commitment to a challenging academic program.

The following requirements below are intended for students declared after Fall 2022. If you have already declared your minor, please speak to your academic advisor for assistance.
