

# Japanese, Minor

---

Nothing looks better on your resume than a minor in a foreign language: French, Italian, Japanese, or Spanish. It gives you the competitive edge you will need in the international market. It tells your future employer that you have taken that extra step in learning to communicate with other cultures.

The following requirements below are intended for students declared after Fall 2022. If you have already declared your minor, please speak to your academic advisor for assistance.
