

Caribbean Studies Minor

The Caribbean Studies Minor is an interdisciplinary program of study in which students are engaged in the languages, cultures, histories, and societies of the Caribbean within a global context, from pre-European cultures to the present day. This minor leads students to a comprehensive understanding of the region and of the Caribbean diaspora.

The following requirements below are intended for students beginning fall 2023. To declare your minor, please speak to your academic advisor for assistance.

Minor Coordinator:

Paul Clement

paul_clement@fitnyc.edu
