The FIT Foundation secures financial support to advance FIT's mission.

Founded in 1944 as the Educational Foundation for the Fashion Industries, the FIT Foundation serves as an advisory and fundraising arm to FIT, raising support for the college's strategic priorities; building academic and creative excellence, empowering the student community, and working with industry leaders worldwide to build a culture of innovation and entrepreneurship at FIT. The FIT Foundation also serves as a vital conduit between FIT's alumni, friends, and donors, who further the mission of the institution through their generous support of its students, schools, departments, and programs.

The FIT Foundation is designated a tax-exempt institution under Federal Internal Revenue Service Code Section 501(c)(3).

FIT aspires to meet the needs of every student, to remove barriers to enrollment, and to ensure that an education is accessible to all admitted students, regardless of family income. The FIT Foundation recognizes the urgent need to substantially increase the amount of financial aid available to students and actively engages alumni, friends, foundations, fashion-related industries, and corporations in support of generous scholarships that provide an affordable educational experience to deserving students who contribute to the diversity of FIT's student body. The list of commencement awards, loan funds, and scholarships attests to their commitment to the college.

ENDOWMENTS AND SCHOLARSHIPS

Scholarship gifts help further FIT's mission by providing life-changing financial support to qualified students. Full and partial scholarships are available to full-time students offering evidence of financial need

and academic merit. A limited number of partial scholarships have been established for matriculated evening and weekend students who demonstrate financial need. A number of scholarships provided by the friends and families of FIT are awarded—based on aptitude, need, and/or scholastic achievement—to students who have completed a year of study at FIT. Some of these are limited to specific criteria established by the donor.
