

OLD General Education Requirements and Courses

FIT students who matriculated after fall 2000 must fulfill General Education requirements in order to receive a bachelor's degree. These requirements are built into the FIT curriculum and in conjunction with major and related area courses in a degree program. An FIT General Education course cannot be used to meet more than one General Education area.

All two-year AAS degree students must complete a total of at least 24 General Education/Liberal Arts credits. Some majors require specific courses within these general requirements. Please refer to the specific major page, in the **Degree Programs** section of this catalog, for more information.

At the AAS level, a second English course is required for all majors. English courses cover a wide variety of General Education areas.

All FIT students, including transfers, are required to complete a total of 30 SUNY General Education/Liberal Arts credits (10 courses) in a minimum of 7 of the 10 areas in order to receive a bachelor's degree. This General Education structure is effective for FIT students entering AAS programs in fall 2014 and for those entering BS/BFA programs in fall 2015.

To complete these requirements for a bachelor's degree, students must take **30 credits** of General Education approved courses. The general guidelines are as follows, however, please refer to the specific major page, in the **Degree Programs** section of this catalog, for more information.

1. Take one (1) course in each of the following areas (**9 credits**): Basic Communication (G1), Mathematics (G2), and Natural Sciences (G3).

2. Take four (4) different courses from four (4) different areas (**12 credits**) in the G4–G10 categories: Social Sciences (G4), Western Civilization (G5), The Arts (G6), Humanities (G7), Foreign Language (G8), Other World Civilizations (G9), and American History (G10).

3. Take three (3) courses not previously taken in any of the 10 areas that meet SUNY General Education approval (**9 credits**).

While the Registrar's Office and the Academic Advisement Center monitor each student's progress in the fulfillment of SUNY and FIT's General Education requirements, final responsibility for completing the requirements rests with the student. A SUNY General Education requirement completed at one SUNY campus will not have to be repeated at FIT.

G9 Other World Civilizations (Non-Western Civilizations) Students demonstrate

knowledge of either a broad outline of world history or the distinctive features of the history, institutions, economy, society, and culture of one non-Western civilization. Courses in this area have to be non-Eurocentric and non-U.S. in focus. In addition to courses on the civilizations of Asia or Africa, this would, for example, allow courses on the civilizations of indigenous peoples of the Americas.

COMPETENCIES

In addition to the areas described above, SUNY requires the General Education competencies of critical thinking and information management. Both are covered in courses throughout the FIT curriculum.

Critical Thinking Students identify, analyze, and evaluate arguments as they occur in their own or others' work, and develop well-reasoned arguments.

Information Management Students perform the basic operations of personal computer use; understand and use basic research techniques, and locate, evaluate, and synthesize information from a variety of sources.
