

# French Minor

---

Nothing looks better on your resume than a minor in a foreign language: French, Italian, Japanese, Mandarin Chinese, or Spanish. It gives you the competitive edge you will need in the international market. It tells your future employer that you have taken that extra step in learning to communicate with other cultures.

A French minor requires five courses in French or, as an alternative, four courses in French and an MC course with modified assignments, with permission of the instructor and after you have completed level 214 of the language.

The following requirements below are intended for students beginning fall 2024.

To declare your minor, please speak to your academic advisor for assistance.
