

Alumni of FIT

The FIT Office of Alumni Engagement represents a community of more than 90,000 Fashion Institute of Technology graduates around the world. Our mission is to facilitate meaningful connections between alumni, the college, and the creative industries, with the goal of supporting the advancement of FIT, our students, and alumni.

As a member of the FIT alumni community, you are entitled to exclusive benefits and services. By keeping your contact information current, you also receive invitations to participate in events, programs, and opportunities to give back to FIT and support the next generation of unconventional minds.
