

# Draping Techniques (HEGIS 5012)

---

Intended primarily for those who wish to enhance their draping skills without enrolling in a degree program, Draping Techniques presents students with projects that incorporate both draping and patternmaking techniques, covering a variety of approaches and methods in analyzing and developing patterns.

The program consists of four sequential courses offered over four semesters:

DP 111 Draping Proficiency I	2.5
DP 112 Draping Proficiency II	2.5
DP 211 Draping Proficiency III	2.5
DP 212 Draping Proficiency IV	2.5
<b>Total Credits</b>	<b>10</b>
