The Academic Advisement Center is designed to support the intellectual, psychological, and social growth of students. Working collaboratively with the FIT community, members of the Advisement Center provide ongoing support to students while also maintaining continuous communication with deans, chairs and faculty to ensure that the most up-to-date advice and information are being shared.

Students in all undergraduate degree-seeking programs are assigned an academic advisor who will provide direction with degree mapping, course registration, minor declaration, and assistance identifying academic resources designed to ensure academic success.
