

Academic Minors

Students at FIT have the opportunity to pursue an academic minor, a selection of courses focused on a particular discipline, or a combination of disciplines. This provides a more cohesive program of study and a deeper understanding of the chosen fields.

MINOR DECLARATION GUIDELINES:

- Visit the **Academic Advisement Center** in room C402 or email advisementcenter@fitnyc.edu to explore minor options, declare a minor, and create the best plan of action for completing the required coursework.
- Students may begin to take courses toward a minor as early as the second semester of the AAS degree program.
- Students may officially declare a minor
 - after admission to a bachelor's degree program and
 - after completing at least one (1) course toward the minor
- Students must complete five (5) courses as outlined in the minor (which usually adds up to 15 course credits).
- Students may transfer up to six (6) credits/two (2) courses for any academic minor.
- There is a limit of three (3) minors per undergraduate degree.
- Students must complete 3 of 5 distinct unique courses per minor (This means 2 of 5 courses can overlap with courses in another minor or courses required in the major area.) Minors cannot be earned in the same discipline as the major.
- Upon successful completion of the selected course credits with a 2.0 or higher GPA, your minor will be recorded on your transcript.
- A minor must be completed by the time you graduate.
